**Experience Excellence with MODI'S**

Since 1982, MODI'S has been a beacon of innovation and reliability under the visionary leadership of Shri. Dinesh V. Modi. Our journey began with the groundbreaking patent of PVC casing and capping in 1984, a testament to our commitment to pioneering solutions that stand the test of time.

**Found Everywhere, Trusted Everywhere**

From airports to five-star hotels, stadiums to call centers, MODI'S products adorn the most prominent locations nationwide. Our presence in governmental and PWD establishments underscores our dedication to serving diverse sectors with unmatched quality.

**A Legacy of Quality and Growth**

From humble beginnings, MODI'S has blossomed into a nationwide presence, offering a diverse bouquet of offerings. Our growth is fueled by the unwavering commitment to quality, earning us the trust of customers across three decades.

**Synonymous with Excellence**

MODI'S has become synonymous with casing 'n' capping, a hallmark of reliability and durability. Our reputation for excellence is built on consistency and trust, sans large-scale marketing gimmicks.

**Continuous Innovation, Enduring Quality**

At MODI'S, innovation is ingrained in our DNA. Our in-house R&D team relentlessly pursues the optimal combination of materials and design, ensuring our products remain at the forefront of technological advancement. Sturdy, long-lasting, and eco-friendly, MODI'S products epitomize excellence in every aspect.

*Join the MODI'S legacy and experience excellence that stands the test of time.*

# Casing & Capping (CnC)

MODI'S are the founders of casing and capping as we know it today. MODI'S was given a patent in 1984 for its unique casing and capping design and functionality. It is an ideal conceal-cum-open wiring method. It allows you to open, add new wires, identify, and repair short-circuit points, and close it. It is smooth, sleek, elegant, long lasting, durable, and holds up the wires safely. All our casing 'n' capping are made using virgin PVC and are ISI certified under IS 14927 Part II.

MODI'S Casing 'n' Capping is unique.

- ▶ ISI certified under IS 14927 Part II.
- ▶ Superior single-locking feature with a grooved edge-lining; in case of any fault, it is easy to open, repair, and close it whenever required.
- ▶ Smooth, sleek, elegant, long lasting, and durable.
- ▶ Help in faster installation without hurting the electricians.
- ▶ Approved in PWD and all major projects.
- ▶ Want to install an electrical point at the last minute? MODI'S CnC is your go-to option.
- ▶ Reinforced locking mechanism, which comes in handy when you add an extra wire.

PAT NO. 161536-84

# Trunkings

MODI'S Trunkings are made from PVC and are mainly used to protect, route, and organize all messy, surface electrical wires, telecommunication cables, and IT network cables in offices and telecom companies. They are an ideal product if you need to access the cables for rewiring or repair. MODI'S Trunkings protect your cables from dust and falling objects.

MODI'S Trunkings are unique.

- ▶ Superior locking facility.
- ▶ Over excellent cable protection.
- ▶ Low fire risk and are self-extinguishing.
- ▶ Available in: 50mm x 50mm, 75mm x 50mm, 75mm x 75mm, 100mm x 50mm.

# Conduit Pipes (CP)

MODI'S, today, is a well-known brand for its quality conduit pipes. It is an ideal product for concealed and surface wiring by major construction companies to build mega projects, high-rise buildings, PWD projects, homes, oflces and other industrial and commercial units. MODI'S Conduit Pipes are FRLS pipes, made of virgIn UPVC. They have an excellent quality and a smooth finish. MODI'S Conduit Pipes are ISI certified under IS 9537 Part III.

## MODI'S Conduit Pipes are unique.

- ▶ ISI certified under IS 9537 Part III.
- ▶ Strong AND spring-bendable.
- ▶ Available only in ivory shade as we do not use carbon.
- ▶ Available in 20 mm, 25 mm, 32 mm, 40mm and 50 mm, 63 mm.
- ▶ Available in light, medium, and heavy mechanical stress variants.
- ▶ Approved in PWD and all major projects.

# Casing Accessories (Fit)

MODI'S Fit is a collection of high-quality accessories meant to support its range of casing 'n' capping and conduit pipes. Quality products need equally high grade accessories to support their continued functioning and aesthetic appeal. MODI'S Fit is manufactured in an independent unit, using the best grade of virgin materials and ensuring adherence to stringent quality checks.

**MODI'S Fit is designed to match to MODI'S unique products.**

- ▶ Made only from virgin materials.
- ▶ Stringent quality checks.
- ▶ Available in a wide range.
- ▶ Perfect match for MODI'S CnC and MODI'S CP.

## Corrugated Flexible Pipes (Flex)

MODI'S Flex Corrugated Flexible Pipes are highly flexible and strong pipes made of virgin Plastic that serve many purposes. MODI'S Flex are much thicker than the corrugated flexible pipes available in the market. They are available only in ivory shade because they are manufactured using only virgin materials. It is an ideal product for people who are only looking for quality flexible pipes.

### MODI'S Flex Corrugated Flexible Pipes are unique.

- ▶ Available only in ivory shade because they are made from virgin PP material and are carbon-free.
- ▶ Can be used in your homes, ofices, and automobiles to hide all your messy wires.
- ▶ Also be used for AC ducts.
- ▶ Highly flexible, has anti-distortion, good bending performance, and can withstand heavy loads.
- ▶ Can be used in the manufacture of panel board wiring, electrical insulation, automobile manufacturing, lighting equipment, automation, and other industries.
- ▶ MODI'S Flex pipes do not break easily and stretch well.
- ▶ Available in 6 sizes.

## Insulation Tapes

MODI'S Tapes are FR electrical insulation tapes meant to insulate electrical wires and protect us from electric shocks. They are made of a combination of PVC and high-quality adhesive. They are used in covering electrical/power wire joints in construction, automotive, and industrial applications.

### MODI'S Tapes are unique.

- ▶ ISI certified under IS 7809.
- ▶ Excellent grip due to superior quality adhesive.
- ▶ Highly elastic. They stretch well and unwind easily.
- ▶ MODI'S Tapes have been tried and tested to successfully withstand upto 40 KV.
- ▶ Antistatic.
- ▶ Available in 5 colours: Black, Blue, Yellow, Red, and Green.
