Experience Excellence with MODI'S

Since 1982, MODI'S has been a beacon of innovation and reliability under the visionary leadership of Shri. Dinesh V. Modi. Our journey began with the groundbreaking patent of PVC casing and capping in 1984, a testament to our commitment to pioneering solutions that stand the test of time.

Found Everywhere, Trusted Everywhere

From airports to five-star hotels, stadiums to call centers, MODI'S products adorn the most prominent locations nationwide. Our presence in governmental and PWD establishments underscores our dedication to serving diverse sectors with unmatched quality.

A Legacy of Quality and Growth

From humble beginnings, MODI'S has blossomed into a nationwide presence, offering a diverse bouquet of offerings. Our growth is fueled by the unwavering commitment to quality, earning us the trust of customers across four decades.

Synonymous with Excellence

MODI'S has become synonymous with casing 'n' capping, a hallmark of reliability and durability. Our reputation for excellence is built on consistency and trust, sans large-scale marketing gimmicks.

Continuous Innovation, Enduring Quality

At MODI'S, innovation is ingrained in our DNA. Our in-house R&D team relentlessly pursues the optimal combination of materials and design, ensuring our products remain at the forefront of technological advancement. Sturdy, long-lasting, and eco-friendly, MODI'S products epitomize excellence in every aspect.

Join the MODI'S legacy and experience excellence that stands the test of time.

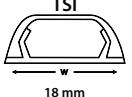

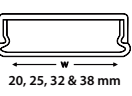

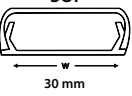

CASING & CAPPING (CNC)

MODI'S is the founders of casing and capping as we know it today. MODI'S was given a patent in 1984 for its unique casing and capping design and functionality. It is an ideal conceal-cum-open wiring method. It allows you to open, add new wires, identify, and repair short-circuit points, and close it. It is smooth, sleek, elegant, long-lasting, durable, and holds up the wires safely. All our casing 'n' capping are made using virgin PVC and are ISI certified under IS 14927 Part II.

MODI'S Casing 'n' Capping is unique.

- ▶ ISI certified under IS 14927 Part II.
- ▶ Superior single-locking feature with a grooved edge-lining; in case of any fault, it is easy to open, repair, and close it whenever required.
- ▶ Smooth, sleek, elegant, long-lasting, and durable.
- ▶ Help with faster installation without hurting the electricians.
- ▶ Approved in PWD and all major projects.
- ▶ Want to install an electrical point at the last minute? MODI'S CnC is your go-to option.
- ▶ Reinforced locking mechanism, which comes in handy when you add an extra wire.
